## MISS SARA'S SECTION

"Hello! The friends had a great time learning about springtime. With spring comes mud, baby animals and the regrowth of trees, plants & flowers. We made seed balls and they are already sprouting! We also painted with mud and had a great time with the mud in the sensory table. We had chickens, lambs and a pony come to see us for a mini petting zoo. We are excited for kindergarten roundup. All the friends have grown so much and are doing wonderful in not only the classroom but also in the halls, the cafeteria and on the playground. We are very proud of them all. Have a great week!"
