January 22, 2025

2025/26 REGISTRATION - Registration for the 25/26 school year has begun and registration forms out on top of the cubbies! If you are interested in enrolling your child in preschool next year, it is very important you do this early as space is always limited. If you have any questions, please come see Michele.

MISS BRITTANY'S MESSAGE - "As we wrap up our Classic Tales unit, the kids seemed to really enjoy listening to the books on CD, playing with our felt stories, and painting with watercolor pallets. As we enter into our arctic theme the kids are enjoying painting on foil, playing with arctic animals and icebergs in the sensory table, and exploring different animal tracks at our science table. The theme seems to be fitting with our weather. Please keep up the good work on letting your littles get dressed for themselves, building their confidence and problem-solving skills!"

ANIMAL OF THE WEEK - Beginning next week we will be doing *Animal of the Week* posters. Your child will be sent home with poster board for them to create a display of his/her FAVORITE animal. It may be domestic or wild, their pet, a pet they would like to have, etc....let them use their imagination! Your child will tell his/her class about their animal poster, and it will be displayed for the week. Please help your child to know what that animal likes to eat, where they live and anything else they would like to share about this animal.

PRESCHOOL DENTAL SCREENINGS - Yay! We are excited to offer FREE dental screenings! Grand County Public Health in conjunction with Grand Beginnings will be here on Tuesday, February 11th. Please look for permission forms and information in your child's red folder. If you want your child to participate, please fill out the form and return it to school. If your child does not normally attend on Tuesday's and you would like to have them screened, please see Michele for times you may bring them in to participate. If you have any questions, please reach out. Thank you!
