February 5, 2025

2025/26 REGISTRATION - Registration for the 25/26 school year is open! If you haven't already, please get the enrollment paperwork filled out and returned. It is very important you do this early as space is always limited. If you have any questions, please come see Michele.

THEME - Our themes for this month are Feeling My Best & Rainforest Explorers. The kids will be learning about how to feel their best and exploring the rainforest. They will learn the letters Pp, Qq, Rr, color pink, shape heart and the numbers 13 & 14.

PRESCHOOL ASSESSMENTS: MID-YEAR EXPECTATIONS - It is time for a mid-year check in to see how our students are progressing. In your child's red folder, you will see a copy of this mid-year check-in. These assessments are a tool to help us determine which skills they've mastered, and which need more attention. If you see an area where your child is marked as Off Track, please do not panic! Read through the detailed view of their assessment, practice those skills at home, and of course reach out with any comments or questions. We have lots of time left in the year and will continue to work on all skills. Please know that we believe in the power of your engagement in our child's education and we cannot do what we do without your help.

MISS BRITTANY'S MESSAGE - "This arctic unit has been so much fun! We have practiced our movement skills with balloons in between our legs for penguin waddling, we have gone ice fishing for letters and numbers. Some of our friends enjoyed building habitats on our light table for arctic animals and they all seemed to really enjoy our blubber mitten experiment. Recently we have had some extra visits from our friends Wally and Dina. We talked about taking three deep breaths to calm our tense bodies and what happens if that doesn't work? Wally talked about finding a happy place. I really enjoyed hearing about the kids' happy places. I hope you all have a wonderful week!"

PRESCHOOL DENTAL SCREENINGS - Don't forget to return your FREE dental screening permission forms, if you want your child to participate! Grand County Public Health in conjunction with Grand Beginnings will be here next Tuesday, February 11th. If your child does not normally attend on Tuesday's and you would like to have them screened, please see Michele for times you may bring them in to participate. If you have any questions, please reach out. Thank you!

VALENTINE'S PARTIES - They will be on Thursday, February 13th. The morning class will begin at 10am, the afternoon and full day class will begin at 2:30pm. If you send valentines for your child to give out, please bring enough cards for everyone in his/her class. The morning students may bring at least 12 valentines, the afternoon students may bring at least 11 valentines, and the full day students may bring at least 18 valentines for their classmates. **Please have your child write their name by the "from" line on their valentines, leave the "to" line BLANK. This way your child may walk around and put one card in each classmate's bag and not have to ask who to whom that card belongs.** If you would like to bring snacks/treats or help, sign-up sheets are on ParentSquare. If you need help accessing this, please let Michele know. Parents are welcome to attend, we always need help serving and cleaning up! If your child does not normally attend on Thursday, you may bring your child to the party and stay with them through the festivities!

WE'RE LOOKING FOR
