February 12, 2025

2025/26 REGISTRATION - Registration for the 25/26 school year is open! If you haven't already, please get the enrollment paperwork filled out and returned. It is very important you do this early as space is always limited. If you have any questions, please come see Michele.

VALENTINE'S PARTIES - Tomorrow is our Valentine's Day parties, yay!!! Just a quick reminder about parties and valentine's ... The morning class will begin at 10am, the afternoon and full day class will begin at 2:30pm. If you send valentines for your child to give out, please bring enough cards for everyone in his/her class. The morning students may bring at least 12 valentines, the afternoon students may bring at least 11 valentines, and the full day students may bring at least 18 valentines for their classmates. **Please have your child write their name by the "from" line on their valentines, leave the "to" line BLANK.** This way your child may walk around and put one card in each classmate's bag and not have to ask who to whom that card belongs. I don't forget to check ParentSquare for what you signed up to bring or where you offered to help. If your child does not normally attend on Thursday, you may bring your child to the party and stay with them through the festivities!

2.9 - 5 YEARS DEVELOPMENTAL SCREENINGS - On Friday, March 7th, Kremmling Preschool will host our annual FREE developmental screenings from 9am - 12:30pm. The Kremmling Preschool facilitates these developmental screenings for children 2.9 - 5 years. They are conducted as a means for families and staff to identify children that are possibly in need of extra family or individual support. They also serve as an opportunity for families to just "check in" with specialists and teachers and see where their child is developmentally. In other words, you don't have to have a concern to attend these screenings, they are open to anyone. If you're interested in having for your child screened or know of someone who you think might benefit, please register soon or contact Michele for more information. Children currently enrolled in preschool DO NOT need to schedule a screening as they have already been screened. Please call Michele at the preschool (970) 724-9483 for more information or to register your child. Space fills quickly!

"A FEW GOOD MEN/WOMEN" - Yes ... it is a pun off the the movie ... but, we are looking for a few individuals that would be interested in serving on our preschool board. It is a great way to be involved in your children's education, give back to our community, AND meet some wonderful people! Reach out if you are interested!!
