MISS SARA'S SECTION - "Happy Wednesday! Thank you all for coming in and visiting with me about your child during conferences. We are all super excited for Halloween and going trick or treating. We can't wait to see everyone's costumes. Have a great rest of your week."

HALLOWEEN PARTIES - Tomorrow, October 31st we will go trick-or-treating to Cliffview Assisted Living Center & Middle Park Health as well as have Halloween parties in each class. **The morning class children may come dressed in their costumes** and that group will be leaving at 9am for trick-or-treating. **Both the afternoon and full day classrooms may BRING their costume to school and the staff will help them get dressed.** Those two classes will be leaving at 1:45pm for trick-or-treating. If anyone is still interested in being an adult chaparone & helping with the party, please join us, the more the merrier!!! We will have the parties immediately upon returning from trick-or-treating. Please see the ParentSquare for a sign-up sheet for treats for the parties! Please note: If your child doesn't normally attend on Thursday's, you may bring them and stay for trick-or-treating and the party. Please keep your child's costume accessories to a minimum and no weapons of any kind, thank you!

GUEST READER PROGRAM - There are still some times available for guest readers, especially in the morning & afternoon classrooms! If you haven't already done so, please consider coming to read to our preschoolers. It is such a fun way to get to know everyone and the children LOVE to hear stories! If you need another form with dates and times let us know and we will get you one asap.

FAMILY TREE - Please send us a picture of your family. We are working on creating a family tree as well as celebrating our different families and their heritage and we need your help! You may send in a copy or email them to us at michele@kremmlingpreschool.org. Thank you and we are looking forward to learning all about our families!

CHANGING WEATHER - With our weather changing, please continue to send your children with layered clothes and their jackets. We will go outside everyday and want them to be comfortable doing so.

Coat Homework:

Be Winter Ready!

Hello Families,

Winter is approaching and, as you can imagine, it takes quite a bit of time to help every child get ready to brave the cold. We'd love your assistance in meeting this season challenge head-on! To make this process smoother, we're introducing a "Coat Homework" challenge!

We encourage you to spend at least five minutes every day practicing the following with your child:

- Put shoes/boots on by themselves.
- Fix those inside-out sleeves.
- Put on the coat without assistance.
- Zip it up all by themselves.

If gloves are challenging, we suggest using mittens as they are easier for little hands to manage.

Although this is next week's homework, please continue practicing until your child masters these skills.

Thank you for making winter a little warmer and a lot more organized!
