**MISS SARA'S SECTION** - "Hello! The friends have had so much fun with the dinosaur unit. We also added in some fun snowman crafts. We are enjoying all the snow on the playground. Hard to believe that it's already February. Looking forward to Valentine's Day and learning about Global Passports. As always, thank you all for everything you do. We enjoy learning with your littles."

**THEME** - Our theme for the month of February is "Global Passport". The kids will be learning about travel tools, world market, natural wonders, and man-made wonders. They will learn the letters Gg, Kk, & Qq, color red, shape heart and the numbers 11 & 12. Some extras for the month will be working on the word family -at, sight words where, can, find, making ABBC patterns, and taking about the character trait brave.

**VALENTINE'S DAY PARTIES** - They will be on Wednesday, February 14th. The morning class will begin their party at 10am, the afternoon and full day class will begin their parties at 2:30pm. If you send valentines for your child to give out, please bring enough cards for everyone in his/her class. The morning class will need to bring 17 valentines, the afternoon class will need to bring 15 valentines, and the full day class will need 19 valentines for their classmates & teachers. **Please have your child write their name by the "from" line on their valentines. Please leave the "to" line BLANK. This way your child may walk around and put one card in each classmate's bag and not have to ask who to whom that card belongs.** If you would like to bring snacks/treats or help, a sign-up sheet will go out next week on ParentSquare. If you need help accessing this, please let Michele know. Parents are welcome to attend, we always need help serving and cleaning up! If your child does not normally attend school on Wednesday's, you may bring your child to the party and stay with them through the festivities!

**2024/25 Registration** - Towards the end of February, we will have PRE-registration for the 2024/25 school year. PRE-registration will be available for families with children currently enrolled and/or children with siblings currently enrolled. Be on the lookout for more information later in the month. If you have any questions, please come see Michele.

**PRESCHOOL DENTAL SCREENINGS** - We are offering FREE dental screenings for your preschooler on Wednesday, February 21<sup>st</sup>. If you haven't already, please turn in the permission form asap. If your child does not normally attend on Wednesdays and you would like to have them screened, please see Michele for times you may bring them in to participate. If you have any questions, please reach out. Thank you!

**BIRTH - 5 YEARS DEVELOPMENTAL SCREENINGS** - On Friday, March 15<sup>th</sup>, Kremmling Preschool will host the our annual FREE developmental screenings from 830am - 12pm. The Kremmling Preschool facilitates these developmental screenings for children birth - 5 years. They are conducted as a means for families and staff to identify children that are possibly in need of extra family or individual support. They also serve as an opportunity for families to just "check in" with specialists and teachers and see where their child is developmentally. In other words, you don't have to have a concern to attend these screenings, they are open to anyone. If you're interested in having for your child screened or know of someone who you think might benefit, please register soon or contact Michele for more information. Children currently enrolled in preschool DO NOT need to schedule a screening as they have already been screened. Please call Michele at the preschool (970) 724-9483 for more information or to register your child. Space fills quickly!

**THIS IS NOT GOODBYE** - We are sad to say that our friend Miss Talea is leaving us. We wish her the best of luck in her new endeavors. Thank you, Miss Talea, for all your hard work and dedication to our preschool and kids! We refuse to say goodbye so instead we will SEE YA LATER!
