

We are a  
**CO** UNIVERSAL  
PRESCHOOL  
PROVIDER

Dear Families,

We're pleased to announce our participation in the Colorado Universal Preschool program! Doing so lets you receive free funding towards our high-quality preschool services. Last year, the program saved families an average of \$300 a month.

We'd love to serve your family in the August 2024-May 2025 school year. Thanks to a new enrollment process, it's easier than ever to "match" with us in the Universal Preschool portal.

**All families can start their Universal Preschool registration at noon today, February 29th.**

- Families with children currently enrolled, children with siblings currently enrolled, or who have a parent or guardian currently employed at our site can "match" with us directly! To do so, families must complete their enrollment by March 28, 2024.
  - Step 1: Use This "Provider Link" to login and create an account: [upk.colorado.gov](https://upk.colorado.gov)
  - Step 2: Make sure the following is selected as your top choice for provider preference: **Kremmling Preschool**
  - Step 3: When asked about continuity of care questions, make sure to list **Kremmling Preschool** in one of the responses.
- Families new to the Universal Preschool program will be matched with one of their top 10 preferred providers during matching rounds in April and July.
