

Dear **Preschool Families**,

We're pleased to announce our participation in the Colorado Universal Preschool program again this year! Doing so lets you receive funding towards our high-quality preschool services. Last year, the program saved families an average of \$600 a month. We'd love to serve your family in the August 2025-May 2026 school year.

The Universal Preschool registration portal for the 25-26 school year is now OPEN to all families.

- Families with children currently enrolled, children with siblings currently enrolled, or who have a parent or guardian currently employed at our site can “match” with us directly! To do so, families must complete their registration by February 3, 2025.
 - Step 1: Use This “Provider Link” to login and create an account:
